Acceptance is based on the receipt of an instruction in writing or receipt of the Sample by the Company.

2.2 Except in accordance with the Conditions no variation of the Contract will be accepted unless agreed in writing by the Company.

2.3 The Quotation and the Conditions, shall prevail over any terms or conditions contained or referred to in any correspondence, order, documentation submitted by the Client or elsewhere. Further, no condition, statement or representation contained in any advertisement or brochure or in any trade or promotional circular or other literature, nor the terms or conditions of any trade association or other body, or which would or might but for this sub-paragraph be implied or incorporated by custom or trade, usage, negotiations, course of dealing or otherwise shall be deemed to be incorporated in the Contract and all of the same are hereby expressly excluded from the Contract.

3. PRICE
 3.1 The Price is based on information available to the Company at the date of the Quotation. If during the period of the Contract there shall be any variation in the cost of materials, labour or otherwise to the Company, the Price may, in the absolute discretion of the Company, be adjusted to take account of such variation.

3.2 In addition to the amounts specified in the Quotation the following shall be payable by the Client to the Company:

4. PAYMENT
 4.1 The Price shall be paid to the Company in full, in cleared funds, without any deduction, set-off or counterclaim within thirty days of the date of the Company's invoice. For the avoidance of doubt, the Price shall be paid free and clear of, and without deduction for and on account of, tax unless the Client is required by law to make such payment subject to the deduction of withholding tax, in which case the sum paid by the Client shall be increased to the extent necessary to ensure that after such deduction or withholding the Company receives an amount equal to Price it would have received had no such deduction or withholding been required.

4.2 Where the Client is required by law to deduct or withhold on account of tax it shall use its best endeavours to obtain from the relevant revenue authorities authorisation to make payment of the sums without such deduction or withholding or, if applicable, at a reduced rate. The parties undertake to provide all reasonable assistance to each other in obtaining such authorisation and, without prejudice to the generality of the foregoing, will submit any forms and take any such action as may be reasonably necessary or reasonably required by the other party for the purpose.

4.3 Time of payment is of the essence to the Contract. In default of payment in accordance with Condition 4.1, the Company may, without limiting any other of its rights in relation to the Contract: suspend all or any further Services being carried out for the Client and withhold the provision of Reports. The amount outstanding from time to time shall bear interest (both before and after any judgment) at the rate of 4% per annum above the Reserve Bank of Australia base rate from time to time from the due date for payment until payment in full is made.

4.4 All payments due to the Company shall be payable within the specified time irrespective of whether or not the Client has recovered payment from a third party and, for the avoidance of doubt, but without prejudice to the generality of the foregoing, this includes payments of fees due to the Company acting as experts or as expert witnesses when instructed by solicitors acting for a party to a dispute.

4.5 If, in the Company's view, the Client's credit-worthiness deteriorates before completion of the Service, the Company may require payment in full or in part of the Price prior to completion, or the provision of security for payment by the Client in such form as is acceptable to the Company.

4.5.1 The Company has a general lien on all the Client's property in the Company's possession in satisfaction of any amount owed by the Client to the Company under the Contract, and may deal with it as it sees fit.

5.6 The Company may, at its sole discretion, undertake to give priority in carrying out a particular Service. A surcharge may be imposed by the Company for the carrying out of priority work. Details of these arrangements will be issued by the Company on request.

5.7 In relation to radiography reports and film delivered or interpreted as part of the performance of the Services, the Client shall notify the Company, within fourteen (14) days from date of issue of such radiography reports and film, of any Client or third party dispute concerning either the radiographic quality or interpretation of results. 6. SERVICES SUBJECT OF LEGAL PROCEEDINGS
 6.1 If any aspect or element of the Services (including any Sample) is, or is likely to be, the subject of or relevant to legal proceedings, this fact must be notified to the Company in writing before the Services are carried out. If that fact is not disclosed to the Company at that stage, the Company may not, in its absolute discretion, be prepared to provide expert testimony.

7. DISCLAIMER/LIABILITY
 7.1 The following provisions of this Condition 7 set out the entire liability of the Company, its employees, agents and sub-contractors to the Client howsoever arising.

7.2 The Company does not exclude or limit its liability (if any) to the Client:

7.2.1 for personal injury or death resulting from the Company's negligence;

7.2.2 for any matter which it would be illegal for the Company to exclude or to attempt to exclude or limit its liability; or

7.2.3 for fraud or fraudulent misrepresentation.

7.3 Except as provided in Condition 7.2 the Company shall not be liable to the Client whether in contract, tort (including negligence), breach of statutory duty or otherwise for any loss of profit, loss of business, loss of market, loss of contract, damage to goodwill, loss of anticipated savings, loss of revenue, loss or damage incurred as a result of third party claims or any indirect or consequential loss howsoever caused.

7.4 Subject to Condition 7.2 and Condition 7.3, the Company's total aggregate liability under the Contract in any calendar year (whether in contract, tort (including negligence), breach of statutory duty or otherwise) arising out of or in connection with the performance or contemplated performance of the Contract or any delay in performance or failure to perform by the Company or otherwise howsoever arising shall be limited to the greater of: (i) 125% of the value of the Price paid in that calendar year; or (ii) A\$10,000.

7.5 Subject to the other provisions of the Conditions any claim by the Client against the Company shall be made in writing and notified to the Company within 365 days of completion of the Services under the Contract by the Company.

7.6 All Services are undertaken in good faith, to a reasonable standard of care and on a confidential basis. Reports are issued on the basis of information known to the Company at the time that the Services are carried out. Although the Company will use all reasonable endeavours to ensure accuracy, the Services depend, inter alia, on the effective co-operation of the Client, its staff and on the information submitted to the Company. Save as required by law, no representation or warranty, whether express or implied or otherwise as to the accuracy of a Report is given by the Company. In consequence, all Reports are prepared on the basis that:

7.6.1 there is no responsibility to any person or body other than the Client;

7.6.2 they are not being obtained for any particular purpose and no statement is to be deemed, in any circumstances, to be or give rise to a representation, undertaking, warranty or contractual condition unless specifically stated in the Contract;

7.6.3 they are determined solely by the professional analysis undertaken by the Company and any forecasts given by the Company of the results is an estimate only;

7.6.4 the Company is entitled to be paid the Price irrespective of the results or conclusions reached in the Report;

7.6.5 the results of the Services shall address the items and information submitted by the Client only and are not to be regarded as representative of any larger population from which the Sample was taken; and

7.6.6 the results are not final until specified as such by the Company and approved by the Company. The Company shall be under no liability where the Client has acted on preliminary, unapproved results or advice or draft Reports.

7.7 All time limits, if any, for the provision of the Services are estimates and no undertaking is given to carry out the Services or to despatch any Report within any period of time. Time of performance of the Services shall not be of the essence to the Contract.

7.8 The Company shall not be liable to the Client or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of the Company's obligations in relation to the Services, if the delay or failure was due to any cause beyond the Company's reasonable control. Without prejudice to the generality of the foregoing, causes beyond the Company's reasonable control shall include an Act of God, explosion, adverse weather conditions, flood, earthquake, tempest, fire, accident, war or threat of war, acts or threats of terrorism, sabotage, insurrection, riot, civil disturbance, requisition, acts, restrictions, regulations, bye-laws, prohibitions or measures of any kind on the part of the governmental, parliamentary or local authority, import or export regulations or embargoes, strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of the Company or of a third party), difficulties in obtaining raw materials, labour, fuel, parts or machinery, power failure or breakdown in machinery.

7.9 Where a mandatory term is implied by law or a mandatory consumer guarantee applies to goods or services provided in connection with the Contract, the mandatory term or mandatory consumer guarantee shall be deemed to be included in this Contract. However, the liability of the Company for any breach of such term or consumer guarantee shall be limited, at the option of the Company, to one or more of the following:

7.9.1 in the case of goods not of a kind ordinarily acquired for personal, domestic or household use or consumption, either replacement or repair of the goods or payment of the cost of replacing or repairing the goods; and

7.9.2 in the case of services not of a kind ordinarily acquired for personal, domestic or household use or consumption, to either resupply of the services or the cost of the resupply of the services.

7.10 The Client acknowledges that the above provisions of this Condition 7 are reasonable and reflected in the price which would be higher without those provisions and the Client will accept such risk and/or incur accordingly.

8. OBLIGATIONS OF CLIENT
 8.1 The Client shall provide with each Sample and/or request for a Service a unique purchase order or unique reference or unique authorisation with sufficient detail to allow the Company to identify each Sample (if applicable) and relate it to a specific Quotation and Service and the Company shall be entitled in good faith to rely upon such purchase order or reference provided to carry out the Service.

8.2 The Client may reproduce or replicate any Report in the form provided by the Company but shall not, without the written consent of the Company, reproduce or replicate any Report which has been modified from the form provided by the Company.

8.3 The Client shall be bound to inform the Company in writing prior to the Company carrying out any Service on a Sample that is of a dangerous or unstable nature and provide instruction on the safe handling of the Sample. A dangerous or unstable Sample includes but is not limited to radioactive materials, biologically active or hazardous substances, reducing or oxidising agents, volatile organic compounds, materials considered to be toxic, harmful, corrosive, irritant, explosive, flammable, carcinogenic or reproductive hazards or materials that are dangerous to the environment. The Client shall indemnify the Company from and against all Losses suffered by the Company, including, without prejudice to the generality of the foregoing, all damage to the Company's property and all claims in respect of injury to or deaths of any of the Company's employees, subcontractors or agents or of any third party, directly or indirectly arising from or in connection with the failure of the Client to inform the Company of the dangerous or unstable nature of a Sample and/or to provide adequate instruction on the safe handling of the Sample. Where the Client informs the Company that a Sample is of a dangerous or unstable nature, the Company may, in its absolute discretion, elect not to carry out the Service and to terminate the Contract whereupon the provisions of Condition 13.3 will apply, save that the Company shall have no liability for its termination of the Contract.

8.4 The Client agrees to indemnify, keep indemnified and hold harmless the Company from and against all Losses which the Company may suffer or incur arising out of or as a result of:

8.4.1 any breach or negligent performance or failure in performance by the Client of the terms of the Contract;

8.4.2 breach of any law by the Client in connection with the performance of the Services; or

8.4.3 any claim threatened or made against the Company by any third party arising out of the Services or out of any delay in performing or failure to perform the Services (even if such claim is solely or partly attributable to the fault or negligence of the Company).

Notwithstanding any other provision of these Conditions, the Client's liability under this indemnity shall be unlimited.

8.5 Where Services are provided at the premises of the Client, the Client will be responsible for providing a safe system of work for the Company and its employees while providing the Service and the Client shall be responsible for all costs necessarily required in discharging this obligation and shall indemnify the Company, its employees, sub-contractors and agents in respect of all Losses suffered as a result of any breach by the Client hereof.

8.6 In addition to any specific Client obligations set out in the Quotation, where Services are provided at the premises of the Client, the Client shall:

8.6.1 provide the Company with necessary access to any Client premises;

8.6.2 ensure that any premises provided by the Client for the provision of any part of the Service is suitable for that purpose;

8.6.3 provide all usual auxiliary and operating materials (including gas, water, electricity, lighting etc) relevant to any Client supplied premises; and

8.6.4 provide the Company with any permits required for the performance of the Service.

Additional costs or Losses arising from the Company due to the Client's failure to comply with the obligations in this Condition 8.6 shall be borne by the Client.

9. RISK AND PROPERTY IN RELATION TO TESTS
 9.1 Unless stated in the Quotation, Samples are and remain at all times (including, without limitation, whilst at the Company's works and during transportation to and from the Company's works) at the entire risk of the Client who shall be responsible for effecting and maintaining its own insurance cover in relation thereto, it being hereby acknowledged by the Client that the charges of the Company do not include insurance.

9.2 Unless expressly stated to the contrary in the Contract, Samples of a stable nature shall be retained for three months from the date of their receipt and then destroyed.

9.3 Where Samples are, in the sole opinion of the Company, too bulky or too unstable to allow storage time of more than one month, it will be at the absolute discretion of the Company as to the length of time such samples are kept before being destroyed.

9.4 Samples shall be returned to the Client only if prior instructions in writing in that regard are received by the Company and the Client shall be charged for all costs associated therewith (including carriage).

10. OWNERSHIP, COPYRIGHT AND PATENTS IN RELATION TO SERVICES
 10.1 All Intellectual Property Rights (including copyright in records, scientific documentary, primary data or electronic means of handling data) produced during any Service shall belong to and remain the property of the Company unless otherwise expressly specified in the Quotation.

10.2 Ownership and copyright in the Report shall remain with the Company. Upon the Client discharging all its obligations under the Contract, including payment of the Price, the Client will obtain an irrevocable, royalty-free, non-exclusive licence to use the Report (including the right to sublicense), subject to the terms of Conditions 8.2, 10.2 and 10.4.

10.3 The Client hereby warrants that it will not use the Report or any other reports, results, or information supplied by the Company for the purposes of advertisement or publication to third parties. Any such issue of the Report or other reports, results or information is permitted under the Contract only with the prior written consent of the Company who shall have the right to increase the Price where it consents to such advertisement and/or publication.

10.4 The Client hereby undertakes to abide by any regulations imposed by Australia's standards and conformance bodies, including Standards Australia, the National Association of Testing Authorities Australia, the National Measurement Institute and the Joint Accreditation System of Australia and New Zealand; any Standard owners, accreditation bodies including IP Australia and/or the Department of Industry, Innovation and Science, relating to marks, emblems or logos attached to the Reports or any other documents issued under the Service.

10.5 The Client shall indemnify the Company against all damages, penalties, costs and expenses to which the Company may become liable as a result of a claim that the use of any data, equipment or other materials supplied by the Client for the performance of the Services involves the infringement of any Intellectual Property Rights of any third party.

11. PRIVACY
 11.1 In exercising its rights and performing its obligations under the Contract, the Client shall at all times comply with its obligations under Privacy Law. 11.2 If the Company receives a request for access to Personal Information obtained or held by the Client in connection with the Services, the Client shall immediately provide the Company with all such assistance as the Company may reasonably require to enable the Company to comply with the request.

12. SUB-CONTRACTING AND ASSIGNMENT
 12.1 Unless otherwise restricted by the terms of the Contract and/or obligations under any accreditation or governing approval, the Company shall be entitled, in its absolute discretion, to sub-contract the whole or any part of the Services.

12.2 The Company may assign, delegate, licence or hold on trust, all or any part of its rights or obligations under the Contract.

12.3 The Contract is personal to the Client which may not assign, delegate, licence, hold on trust or sub-contract all or any of its rights or obligations under the Contract without the Company's prior written consent.

13. TERMINATION
 13.1 The Client shall not terminate the Contract without the written consent of the Company which may be subject to such terms, as in the Company's absolute discretion, recompense the Company for all loss it may suffer as a result of termination.

13.2 The Company may terminate the Contract and any other contract with the Client forthwith, without prejudice to any other right or remedy available to the Company and without the Company incurring any liability to the Client, in the following circumstances:

13.2.1 if the Client commits a breach of any terms of the Contract or any other contract with the Company which is incapable of remedy or, if capable of remedy, has not been remedied by the Client in accordance with a written notice from the Company requiring remedy within the period specified in the said notice;

13.2.2 if the Client fails to make payment of the Price in accordance with the Contract;

13.2.3 if anything reasonably indicates that there is a significant risk that that Client is or will become unable to pay its debts as they fall due, including: (i) a meeting of the Client's creditors being called or held; (ii) a step being taken to make the Client bankrupt; (iii) an application is presented or an order is made for the sequestration of the Client's estate; (iv) a step being taken to wind the Client up; (v) a step being taken to have a receiver, receiver and manager, administrator, liquidator or provisional liquidator appointed to the Client or any of its assets or such an appointment taking place; or (vi) the Client entering into any type of agreement, composition or arrangement with, or assignment for, the benefit of all or any of its creditors;

13.2.4 the Company reasonably apprehends that any of the events mentioned in Condition 13.2.3 above is about to occur in relation to the Client and notifies the Client accordingly;

13.2.5 if the Company reasonably apprehends that providing the Services or dealing with the Client would be in breach of Sanctions Rules, the Client fails to satisfy due diligence requests made by the Company in connection with compliance with Sanctions Rules or other relevant laws or regulations or the Client does anything which is in breach of, or would cause the Company to be in breach of Sanctions Rules; and

13.2.6 as provided in Condition 8.3.

13.3 Termination of the Contract shall be without prejudice to the rights and remedies of the parties accrued prior to termination of the Contract which shall remain in force, including the right to suspend all services to be made under any other contract with the Client (and in such event the Client shall not be released from any of its obligations to the Company under any other contract) and the right for the Company to receive full compensation for any Losses under the Contract or any other contract with the Client.

13.4 On termination of the Contract pursuant to Condition 13.2, any indebtedness of the Client to the Company shall become immediately due and payable.

 14.1 Each party (the "Recipient") shall keep all Confidential Information of the other party (the "Disclosing Party") in the strictest confidence. Save for the purposes of fulfilling its obligations under the Contract, the Recipient shall not, without the prior written consent of the Disclosing Party, disclose, divulge or grant access to the Confidential Information which it has received and shall not permit any of its employees, agents or officers to disclose, divulge or grant access to such Confidential Information.

14.2.3 it was already known to the Recipient prior to the time of disclosure by the Disclosing Party (where the Recipient can prove the same with documentary evidence); or

14.2.4 it is information which subsequently becomes public knowledge other than by breach of the Contract by the Recipient.

14.3 In the event of a request being made to a Recipient in respect of any Confidential Information (including a request made under any freedom of information legislation) then the Recipient shall notify the Disclosing Party and shall not disclose any information until an analysis has been made as to whether the information requested is capable of being exempted from the disclosure, unless such non disclosure would be in breach of a legislative or regulatory requirement.

14.4 The obligations of the parties under this Condition 14 shall continue to apply without limit of time.

15. ANTI-CORRUPTION
 15.1 The Client undertakes to comply with all applicable laws, statutes, regulations and codes relating to anti-bribery and anti-corruption including where relevant, but not limited to, the Bribery Act 2010 (UK) ("Anti-Corruption Laws") and that it shall not do, nor omit to do, any act that will lead to the Company being in breach of any of the Anti-Corruption Laws. The Client shall comply with the Company's anti-corruption policies as may be notified to the Client and updated from time to time.

15.2 The Client shall promptly report to the Company any request or demand for any undue financial or other advantage of any kind received by the Client in connection with the performance of the Contract.

16.2 Nothing in the Contract shall create or be deemed to create an agency or partnership between the parties. No party may represent itself as such in any circumstances.

16.3 The Conditions and the Quotation contain all the provisions which the parties have agreed in relation to the subject matter of the Contract and supersede any prior written or oral agreements, representations, proposal documentation or understandings between the parties. The Client agrees that it has not been induced to enter into the Contract by a statement or promise which they do not contain save that the Contract shall not exclude any liability which the Company would otherwise have to the Client in respect of any statements made fraudulently by the Company.

16.4 In the event of one or more of the provisions of the Contract being held by a competent authority to be invalid, illegal, or unenforceable, in whole or in part, the validity, legality or enforceability of the remaining provisions of the Contract and the remainder of the provision in question shall not be affected thereby.

16.5 All notices to be served by one party on the other must be in writing and shall be deemed duly delivered or served at the time of service: (i) if delivered personally, when it is left at the registered office, if applicable, or if not applicable the last known address, of the other party; or (ii) if it is sent by post, six (6) or, in the case of a notice or communication posted to another country, nine (9) business days after it is posted to the registered office, if applicable, or if not applicable the last known address, of the other party.

16.6 No failure or delay by the Company to exercise any right, power or remedy will operate as a waiver of it nor will any partial exercise preclude any further exercise of the same or of some other right, power or remedy.

16.7 The Contract shall be governed by and construed in accordance with the laws of Victoria, Australia and the Client submits to the non-exclusive jurisdiction of the Victorian Courts.
