The Client shall be deemed to have accepted the Quotation and these Conditions (including its Annexes) expressly by signing this Contract, or impliedly based on the receipt by the Company of an instruction in writing by the Client to provide the Services or receipt of the Sample by the Company. Any rendering of Services is subject and expressly conditioned to the acceptance of these Conditions. Upon Client’s acceptance, Client shall be bound by these Conditions (including its Annexes), which together with the Quotation shall constitute a binding Contract between the Company and the Client pursuant to Mexican law.

2.2 No modification or variation of this Contract will be valid and obligatory, unless agreed in writing and signed by a duly authorized attorney-in-fact of the Company with sufficient power of attorney.

2.3 The terms of this Contract, comprising the Quotation and the Conditions (including its Annexes), shall prevail over any terms or conditions contained or referred to in any correspondence, purchase or service order, documentation submitted by the Client or elsewhere, all of which are hereby objected to by the Company. Further, no condition, statement or representation contained in any advertisement or brochure or in any trade or promotional circular or other literature, nor the terms or conditions of any trade association or other body, or which would or might but for this subparagraph be implied or incorporated by custom or trade, usage, negotiations, course of dealing or otherwise shall be deemed to be incorporated in the Contract and all of the same are hereby expressly excluded from the Contract.

3. PRICE

3.1 The Price is based on information available to the Company at the date of the Quotation. If during the Term of the Contract there shall be any variation in the cost of materials, labor or otherwise to the Company, the Price may, in the absolute discretion of the Company, be adjusted to take account of such variation.

3.2 In addition to the amount specified in the Quotation, the following shall be payable by Client, as applicable:

3.2.1 the value-added tax (VAT);

3.2.2 package, insurance, freight, travel costs, bank charges, Sample destruction costs, storage charges and disbursements incurred on behalf of the Client, whether on the Company's premises or elsewhere, and to include storage charges on the Company's premises, if any Sample or materials supplied by the Client are not removed within seven (7) days of the date of notification to the Client that they are ready for collection;

3.2.3 insurance incurred by the Company, in its absolute discretion, in respect of any property belonging to the Client in the possession of the Company;

3.2.4 with prior notice, the cost of all sub-contractors employed by the Company unless included in the Quotation;

3.2.5 any additional costs incurred by the Company in accordance with the Conditions; and

3.2.6 costs of any special standards or specifications required for the performance of the Services.

4. PAYMENT

4.1 The Price shall be paid by the Client to the Company in full, in cleared funds, without any deduction, set-off or counterclaim within thirty (30) days of the date of the Company's invoice. For the avoidance of doubt, the Price shall be paid free and clear of, and without deduction for and on account of any tax, unless the Client is required by law to make such payment subject to the deduction of withholding tax, in which case the sum paid by the Client shall be increased to the extent necessary to ensure that after such deduction or withholding the Company receives an amount equal to the Price it would have received had no such deduction or withholding been required.

4.2 Where the Client is required by law to deduct or withhold on account of any tax, it shall use its best endeavors to obtain from the relevant revenue authorities authorization to make payment of the sums without such deduction or withholding or, if applicable, at a reduced rate. The Parties undertake to provide all reasonable assistance to each other in obtaining such authorization and, without prejudice to the generality of the foregoing, will submit any forms and take any such action as may be reasonably necessary or reasonably required for such purpose.

4.3 Time of payment is of the essence to the Contract. In default of payment within the thirty (30) days of the date of the Company's invoice, the Company may (i) suspend any further Services being carried out for the Client; (ii) withhold the provision of Reports; (iii) alter or withdraw credit terms; (iv) amend terms, Prices or Service levels; and (v) declare all outstanding invoices due and payable immediately. The amount outstanding from time to time shall bear default interest (both before and after any judgment) at the rate of four percent (4%) per annum calculated from the due date for payment until payment in full is made. This interest will be effective, in addition to any

other rights or remedies available to the Company pursuant to this Contract and/or the applicable Mexican law.

4.4 The Client undertakes to pay the Company all expenses, costs, fees and any other expenditures that the Company has or may incur in connection with exercising any kind of action or claim to which it is entitled against the Client (including but not limited to judicial and extra-judicial collection costs, attorneys' fees, court costs, other fees, etc.), as well as related with any proceedings of any nature filed against the Client, in response to Client's breach of any of its payment obligations under this Contract.

4.5 All payments due to the Company shall be payable within the specified time irrespective of whether or not the Client has recovered payment from a third party and, for the avoidance of doubt, but without prejudice to the generality of the foregoing, this includes payments of fees due to the Company acting as experts or as expert witnesses when instructed by solicitors acting for a Party to a dispute.

4.6 If, in the Company's view, the Client's credit-worthiness deteriorates before completion of the Service, the Company may require payment in full or in part of the Price prior to completion, or the provision of security for payment by the Client in such form as is acceptable to the Company.

4.7 The Company has a general lien on all the Client's property in the Company's possession in satisfaction of any amount owed by the Client to the Company under the Contract, and may deal with it as it sees fit.

4.8 Any taxes to be paid pursuant to the execution and compliance of the obligations set forth under this Contract, shall be paid by the Party that caused such taxes, in accordance with the tax legislation applicable in Mexico or abroad, as the case may be.

5. EXECUTION OF SERVICES

5.1 The Services shall be carried out singly, unless prior written instructions from the Client are received for replicates, or unless the Company considers replicates are necessary or desirable. The Company reserves the right to charge the Client for replicates even if the original result is confirmed.

5.2 The Client shall supply as much information as possible about each Sample and/or Service requirement in order to assist in achieving an efficient Service. Where information relating to the Sample and/or the Service requirements is incorrect and the Company is involved in additional work, the Company reserves the right to charge for such additional work.

5.3 Unless specific prior instructions in writing are received by the Company, the Services shall be carried out on the Sample in the state in which the Sample is received. The Company reserves the right to charge the Client for any work required to be carried out to the Sample prior to the performance of any Service.

5.4 Methods of carrying out the Service and providing the Report shall be at the sole discretion of the Company, unless prior instruction in writing is received from the Client specifying a particular procedure, which is accepted in writing by the Company. In any case, the charges for such special procedures will be agreed between the Company and the Client prior to carrying out the Service.

5.5 Upon request by Client, a general description of the method used in the performance of the Service shall be given verbally by the Company. Where written descriptions of detailed procedures are requested by Client, whether as part of the Report or issued separately, the Company reserves

the right to make an additional charge to the Client. If the method referenced in the Report represents the end product of development work carried out at the Company's expense, the method shall only be revealed at the discretion of the Company.

5.6 The Company may, at its sole discretion, undertake to give priority in carrying out a particular Service. A surcharge may be imposed by the Company to the Client for the carrying out of priority work. Details of these arrangements will be issued by the Company on request.

5.7 In relation to radiography reports and film delivered or interpreted as part of the performance of the Services, the Client shall notify the Company, within fourteen (14) days from date of issue of such radiography reports and film, of any Client or third party dispute concerning either the radiographic quality or interpretation of results. If the Client does not so notify the Company within this fourteen (14) day period, the Client will be deemed to have accepted the radiography reports and film, together with any interpretation of these, provided by the Company.

6. SERVICES SUBJECT OF LEGAL PROCEEDINGS

If any aspect or element of the Services (including any Sample) is, or is likely to be, the subject of or relevant to legal proceedings, this fact must be notified by the Client to the Company in writing before the Services are carried out. If that fact is not disclosed to the Company at that stage, the Company may not, in its absolute discretion, be prepared to provide expert testimony.

7. DISCLAIMER/LIABILITY

7.1 The following provisions of this Condition 7 set out the entire liability of the Company, its employees, agents and sub-contractors to the Client howsoever arising.

7.2 The Company does not exclude or limit its liability (if any) to the Client:

7.2.1 for personal injury or death resulting from the Company's negligence;

7.2.2 for any matter which it would be illegal for the Company to exclude or to attempt to exclude or limit its liability; or

7.2.3 for fraud.

7.3 Except as provided in Condition 7.2, the Company shall not be liable to the Client for any loss of profit, loss of business, loss of market, loss of contract, damage to goodwill, loss of anticipated savings, loss of revenue, loss or damage incurred as a result of third party claims or any direct or indirect Losses howsoever caused, including but not limited due to contract, tort (including negligence), breach of duty or otherwise.

7.4 Subject to Condition 7.2 and Condition 7.3, the Company's total aggregate liability under the Contract in any calendar year arising out of or in connection with the performance or contemplated performance of the Contract or any delay in performance or failure to perform by the Company or otherwise howsoever arising shall be limited to the greater of (i) one hundred and twenty-five percent (125%) of the value of the Price paid or payable in that calendar year; or (ii) 127,000 Mexican Pesos.

7.5 Subject to the other provisions of the Conditions, any claim by the Client against the Company shall be made in writing and notified to the Company within three hundred and sixty five (365) days of completion of the Services under the Contract by the Company to the Client.

7.6 All Services are undertaken in good faith, to a reasonable standard of care and on a confidential basis. Reports are issued on the basis of information known to the Company at the time that the Services are carried out. Although the Company will use all reasonable endeavors to ensure accuracy, the Services depend, inter alia, on the effective co-operation of the Client, its staff and on the information submitted by the Client to the Company. Save as required by law, no representation or warranty, whether express or implied or otherwise, as to the accuracy of a Report is given by the Company. In consequence, all Reports are prepared by the Company on the basis that:

7.6.1 there is no responsibility of the Company to any person or body other than the Client;

7.6.2 they are not carried out for any particular purpose and no statement of the Company is to be deemed, in any circumstances, to be or give rise to a representation, undertaking, warranty or contractual condition, unless specifically stated by the Company;

7.6.3 they are determined solely by the professional analysis undertaken by the Company's staff on each individual contract and any forecasts by the Company of the results is an estimate only;

7.6.4 the Company is entitled to be paid the Price irrespective of the results or conclusions reached in the Report;

7.6.5 the results of the Services shall address the items and information submitted only and are not to be regarded as representative of any larger population from which the Sample was taken; and

7.6.6 the results are final and approved by the Company. The Company shall be under no liability where the Client has acted on preliminary, unapproved results or advice.

7.7 All time limits, if any, for the provision of the Services are estimates and no undertaking is given to carry out the Services or to dispatch any Report within any period of time.

7.8 The Company shall not be liable to the Client or be deemed to be in breach of the Contract by reason of any delay in performing, or any failure to perform, any of the Company's obligations in relation to the Services, if the delay or failure was due to any cause beyond the Company's reasonable control. Without prejudice to the generality of the foregoing, causes beyond the Company's reasonable control shall include an Act of God, explosion, adverse weather conditions, flood, earthquake, tempest, fire, accident, war or threat of war, acts or threats of terrorism, sabotage, insurrection, riot, civil disturbance, epidemic event, requisition, acts, restrictions, regulations, by-laws, prohibitions or measures of any kind on the part of the governmental, parliamentary or local authority, import or export regulations or embargoes, strikes, lock-outs or other industrial actions or trade disputes (whether involving employees of the Company or of a third party), difficulties in obtaining raw materials, labor, fuel, parts or machinery, power failure or breakdown in machinery.

7.9 The Client accepts the above provisions of this Condition 7 and acknowledges that such provisions are reasonable and reflected in the Price, which would be higher without those provisions and the Client hereby accepts such risk accordingly.

8. OBLIGATIONS OF CLIENT

8.1 The Client shall provide with each Sample and/or Service a unique purchase order or unique reference or unique authorization with sufficient detail to allow the Company to identify each Sample (if applicable) and relate it to a specific Quotation and Service. The Company shall be entitled in good faith to rely upon such purchase order or reference or authorization provided to carry out the Service. However, the Parties agree that for any and all legal purposes, this Contract, comprising the Quotation and the Conditions (including its Annexes), shall prevail over any terms

and conditions set forth under any of Client's purchase order, reference or authorization whatsoever.

8.2 The Client may reproduce or replicate any Report but only in its entirety and in the form provided by the Company. The Client shall not, without the prior written consent of the Company, reproduce or replicate any Report, which has been modified from the form provided by the Company.

8.3 The Client shall be bound to inform the Company in writing, prior to the Company carrying out any Service, on a Client site or Sample that is of a dangerous or unstable nature and provide instructions on the safe visiting of the site and/or safe handling of the Sample. For example, a dangerous or unstable Sample will include, but is not limited to, radioactive materials, biologically active or hazardous substances, reducing or oxidizing agents, volatile organic compounds, materials considered to be toxic, harmful, corrosive, irritant, explosive, flammable, carcinogenic or reproductive hazards or materials that are dangerous to the environment. The Client shall indemnify and hold the Company and the Indemnified Parties harmless from and against all Losses suffered by the Company, including, without prejudice to the generality of the foregoing, all damage to the Company's property and all claims in respect of injury to or deaths of any of the Company's employees, sub-contractors or agents or of any third party, directly or indirectly arising from or in connection with the failure of the Client to inform the Company of the dangerous or unstable nature of a Client site or Sample and/or to provide adequate instructions on the safe visiting of the site and/or the handling of the Sample. Where the Client informs the Company that a Sample is of a dangerous or unstable nature, the Company may elect, in its absolute discretion, not to carry out the Service and to terminate the Contract whereupon the provisions of Condition 13.4 will apply, save that the Company shall have no liability for its termination of the Contract.

8.4 Where any aspect of the Service is undertaken on premises not occupied by the Company or under its direct control, it is the exclusive responsibility of the Client to ensure that all necessary safeguards are in place and all safety measures taken to comply with all applicable health and safety regulations, and save as otherwise agreed in writing between the Parties or where identification of asbestos is part of the scope of the Services to be provided by the Company to the Client, the Client is also responsible for ensuring that all asbestos has been removed and/or is safely contained in every area to be visited by the Company's consultants during the visit to said premises. The Client will indemnify and hold the Company and the Indemnified Parties harmless from and against any Losses caused to the Company due to a breach of its obligations under this Condition 8.4. The Company reserves the right not to commence work if it believes the Client has breached its obligations under this Condition 8.4 and to recover any Losses thereby incurred. Where the Company believes the Client has breached its obligations under this Condition 8.4, the Company may elect, in its absolute discretion, not to carry out the Service and to terminate the Contract whereupon the provisions of Condition 13.4 will apply, save that the Company shall have no liability for its termination of the Contract.

8.5 The Client represents and warrants to the Company that it will at all times comply with all reasonable requirements necessary for the issuance of a certificate (where applicable), including but not limited to all statutes, rules, regulations issued by any statutory or other competent authority, as well as all recommendations, codes and similar matters issued by any authority pursuant to which in compliance with which or for the purpose of which the certificate is issued, or such other reasonable requirements of the Company as are necessary to enable the certificate to be issued and maintained in force in accordance with the standards reasonably expected of accredited or competent certification.

8.6 The Client represents and warrants to the Company the completeness, veracity and accuracy of all documents and information supplied to the Company for the purposes of the Company fulfilling

the Services, both at the time of supply and subsequently. The Client further warrants that in the event that it discovers that certain information provided is not accurate, true or complete, it will notify the Company in writing of this as soon as the Client becomes aware of it.

8.7 The Client agrees to indemnify, keep indemnified and hold harmless the Company and the Indemnified Parties from and against all Losses, which the Company may suffer or incur arising out of or as a result of:

8.7.1 any breach or negligent performance or failure in performance by the Client of the terms of the Contract;

8.7.2 breach of any law by the Client or the Company in connection with the performance of the Services; or

8.7.3 any claim threatened or made against the Company by any third party arising out of the Services or out of any delay in performing or failure to perform the Services (even if such claim is solely or partly attributable to the fault or negligence of the Company).

Notwithstanding any other provision of these Conditions, the Client's liability under this indemnity shall be unlimited.

8.8 Where Services are provided at the premises of the Client, the Client will be responsible for providing a safe system of work for the Company and its employees while providing the Service and the Client shall be responsible for all costs necessarily required in discharging this obligation and shall indemnify and hold the Company and the Indemnified Parties harmless in respect of all Losses suffered as a result of any breach by the Client hereof.

8.9 In addition to any specific Client obligations set out in the Quotation, where Services are provided at the premises of the Client, the Client shall:

8.9.1 provide the Company with necessary access to any Client premises;

8.9.2 ensure that any premises provided by the Client for the provision of any part of the Service is suitable for that purpose;

8.9.3 provide all usual auxiliary and operating materials (including gas, water, electricity, lighting etc.) relevant to any Client supplied premises; and

8.9.4 provide the Company with any permits required for the performance of the Service.

Additional costs or Losses arising for the Company due to the Client's failure to comply with the obligations in this Condition 8.9 shall be borne by the Client.

8.10 In the event that the Products are of foreign origin and are imported into Mexico, the Client, at its sole cost and risk, shall:

8.10.1 obtain any governmental permits and authorizations, and comply with any applicable non-tariff regulations and restrictions, which are necessary to import the Products into Mexico;

8.10.2 engage the services of a licensed customs broker and clear the Products for customs purposes upon importation into Mexico, including the payment of any applicable import duties, taxes, customs processing or brokerage fees and any other costs or expenses associated therewith; and

8.10.3 keep and deliver to the Company a copy of the import manifest and any other customs and commercial documentation used for the importation of the Products, and which is necessary to evidence the legal importation, possession and permanence of such Products in Mexico.

8.11 The Parties agree that in the event that any fine or sanction is imposed on the Client as a result of the incorrect tariff classification of the Products, arithmetic errors in the calculations, for not using or for the incorrect use of any of Client's import permits or licenses, or for the incorrect determination of import duties, taxes and fees that must be paid upon importation of the Products into Mexico, the Client shall be responsible for paying such fines or sanctions, as well as for the omitted import duties, taxes and fees, as applicable. Therefore, the Company shall not accept any liability for such omitted import duties, taxes and fees, nor for the assessment of any fines, sanctions or even a seizure of Products. The Client shall rectify the necessary customs entry documents to cure the mistake in question, recover the Products from the competent authorities in case of seizure and to pay for any costs related thereto. The Client covenants and agrees to indemnify and hold the Company and the Indemnified Parties harmless against and from any Losses suffered as a result of a breach of Client's obligations under Condition 8.10, including any liability, fines and penalties, which are assessed by the customs or tax authorities of Mexico, in connection with the importation of the Products, as well as during their transportation to any facilities in Mexico where the Services will be carried out.

9. RISK AND PROPERTY IN RELATION TO TESTS

9.1 Unless agreed otherwise in writing by the Parties, Samples are and remain at all times (including, without limitation, whilst at the Company's works and during transportation to and from the Company's works) at the entire risk of the Client, who shall therefore be responsible for effecting and maintaining its own insurance cover in relation thereto, it being hereby acknowledged by the Client that any charges of the Company do not include insurance in respect of Products or otherwise.

9.2 Unless expressly stated to the contrary in the Contract, Samples of a stable nature shall be retained for three (3) months from the date of their receipt and then destroyed.

9.3 Where Samples are, in the sole opinion of the Company, too bulky or too unstable to allow storage time of more than one (1) month, it will be at the absolute discretion of the Company as to the length of time such Samples are kept before being destroyed.

9.4 Samples shall be returned to the Client only if prior instructions in writing in that regard are received by the Company and the Client shall be charged for all costs associated therewith (including carriage).

10. OWNERSHIP, INTELLECTUAL PROPERTY IN RELATION TO SERVICES

10.1 All Intellectual Property Rights (including copyright in records, scientific documentary, primary data or electronic means of handling data) produced during any Service shall belong to and remain at all times the property of the Company unless otherwise expressly agreed in writing by the Parties as part of the Contract.

10.2 Ownership and copyright in the Report shall remain with the Company. Upon the Client discharging all its obligations under the Contract, including but not limited to the payment of the Price, the Client will obtain an irrevocable, royalty-free, non-exclusive license to use the Report (including the right to sub-license), subject to the terms of Condition 8.2, this Condition 10.2 and Condition 10.8.

10.3 The Client hereby represents and warrants that it will not use the Report or any other reports, results, or information supplied by the Company for the purposes of advertisement or publication to third parties. Any such use of the Report or other reports, results or information is permitted under the Contract only with the prior written consent of the Company, who shall have the right to increase the Price where it consents to such advertisement and/or publication.

10.4 All Intellectual Property Rights in all Service mark(s), trademark(s), certification mark(s) and other names and logos owned by the Company, shall remain the property of the Company and cannot be sold or licensed by the Client.

10.5 When certification is granted, the Company shall award a license to the Client to use the Company's certification mark(s) and logos for the Term of this Contract, subject to the applicable terms of use (as amended from time to time by the Company), which are issued with every certification and are available on request.

The Company reserves the right to substitute or withdraw the right to use any or all Service mark(s), trademark(s), certification mark(s) and other names and logos belonging to the Company, an accreditation body or a Standard setting body, in the event of non-compliance with the relevant terms of use or any ancillary license agreement(s), or should the Contract be terminated for whatever reason.

10.8 The Client hereby undertakes to abide by any regulations imposed by certification authorities, accreditation bodies, Standard setting bodies, or any government or regulatory authority relating to marks, emblems or logos attached to the Reports or any other documents issued pursuant to delivery of the Services, and in particular the Client acknowledges that where the Company makes use of a Standard setting body logo on a certificate, the Standard setting body logo on such certificate only refers to the Client's compliance with the relevant Standard and does not provide the Client with the right to use the Standard setting body logo, which may only be used by the Client subject to compliance with the requirements of the relevant Standard and rules which are available from the Standard setting body, including entering into any necessary ancillary license agreement(s).

10.9 The Client shall indemnify and hold the Company and Indemnified Parties harmless from and against all Losses to which the Company may become liable as a result of a claim that the use of any data, equipment or other materials supplied by the Client for the performance of the Services involves the infringement of any Intellectual Property Rights of any third party.

12.3 The Client may not assign, transfer, delegate, license, hold on trust or sub-contract all or any part of its rights and/or obligations under the Contract without the Company's prior written consent. In any event, the Client shall remain jointly and severally liable with the assignee or sub-contractor.

13. TERM AND TERMINATION

13.1 This Contract shall commence as of the Effective Date and shall continue in force during the Term.

13.2 The Client shall not terminate the Contract without the prior written consent of the Company; otherwise, the Company, in its absolute discretion, may request the Client the obligatory payment of the Price and related costs, or to indemnify the Company for any Losses it may suffer as a result of termination.

13.3 Upon prior written notice, the Company may immediately terminate this Contract and any other contract with the Client forthwith, without the Company incurring any liability to the Client and without the need for any prior judicial resolution, without prejudice to any other right or

remedy available to the Company pursuant to this Contract or according to law, in the following circumstances:

13.3.1 if the Client commits a breach of any terms of the Contract or any other contract with the Company which is incapable of remedy or, if capable of remedy, has not been remedied by the Client in accordance with a written notice from the Company requiring remedy within the period specified in the said notice;

13.3.2 if the Client fails to make payment of the Price, or does not pay the Price within the time specified by the Company;

13.3.3 if the Client makes an assignment for the benefit of creditors, the Client becomes or is unable to pay debts as they fall due, or any bankruptcy or insolvency proceeding is initiated by or against the Client, or a trustee or receiver is appointed for the Client for a substantial part of its assets, or any formal or informal proceeding for dissolution, liquidation or winding-up is instituted by or against the Client;

13.3.6 if a change of control, merger or consolidation of the Client takes place (Client must communicate such situation immediately to Company prior to its occurrence), and there is any evidence that, at Company's sole discretion, such change may affect Client's financial, administrative or any other kind of performance under this Contract;

13.3.7 if any tribunal of competent jurisdiction grants a judgment against any of the stockholders, board members, directors, officers or managers of the Client for a criminal action committed, that may affect the patrimony, operations, administration, business or interests of the Client or the Company;

13.3.8 in the event that any collective labor dispute arises at the Client's facilities and it is not resolved within sixty (60) calendar days following its commencement;

13.3.9 if the Company reasonably apprehends that providing the Services or dealing with the Client would be in breach of Sanctions Rules, the Client fails to satisfy due diligence requests made by the Company in connection with compliance with Sanctions Rules or other relevant laws or regulations, or the Client does anything which is in breach of, or would cause the Company to be in breach of, Sanctions Rules;

13.3.10 as provided in Condition 8.3 and Condition 8.4; and

13.3.11 in general, any default by Client on its obligations established under this Contract and its Annexes, the Client having the obligation to indemnify and hold the Company and Indemnified Parties harmless from and against all Losses to which the Company may become liable as a result of such event of default.

13.4 Notwithstanding that the Company terminates the Contract, this shall be without prejudice to the accrued rights and remedies of the Parties prior to termination of the Contract and any rights or remedies under the Conditions, which shall remain in force, including the right to suspend all further Services to be made under any other contract with the Client (and in such event the Client shall not be released from any of its obligations to the Company under any other contract) and the

The Client agrees to indemnify and hold the Company and the Indemnified Parties harmless against and from any claims or lawsuits that the employees or representatives of the Client may claim in regards to their compensation, reimbursements or Losses as a result of the termination of this Contract.

14. CONFIDENTIALITY

14.1 Each Party (the “Recipient”) shall keep all Confidential Information received from the other Party (the “Disclosing Party”) in the strictest confidence. Save for the purposes of fulfilling its obligations under the Contract, the Recipient shall not, without the prior written consent of the Disclosing Party, disclose, divulge or grant access to the Confidential Information which it has received and shall not permit any of its employees, agents or officers to disclose, divulge or grant access to such Confidential Information.

14.2 Notwithstanding Condition 14.1, a Recipient may disclose Confidential Information, which it has received if:

14.2.1 it is required to do so by any governmental or regulatory authority, or by law (but then only to the extent it is strictly required to do so);

Consequently, the Client shall be liable for any Losses caused to the Company in case of non-compliance in accordance with the provisions of the Intellectual Property Law, in addition to any civil or criminal liabilities it may be subject to pursuant to the applicable law in Mexico.

14.5 The Parties acknowledge and accept that the terms of this Condition 14 will survive even after the termination of this Contract.

15. IMPORT AND/OR EXPORT CONTROL LICENSE

15.1 The Company's performance of its obligations under this Contract may, wholly or partly, be subject to an Import and/or Export Control License. If any such Import and/or Export Control License requires signed end user certificates or any other Mexican or foreign governmental or court approvals or consents, the Parties agree to assist each other in obtaining and/or completing the relevant end user certificates or other such approvals or consents, and the Client undertakes to conform to and apply the – from time to time – valid terms of such end user certificates, Import and/or Export Control License or restrictions, respectively.

15.3 The Company shall make reasonable efforts to obtain the Import and/or Export Control Licenses that may be necessary for providing the Services, but the Parties acknowledge that the issuance of Import and/or Export Control Licenses is at the sole discretion of the relevant authorities. If any necessary Import and/or Export Control Licenses are delayed, denied or revoked, the Company shall notify the Client thereof in writing as soon as reasonably practicable, and the Company shall be entitled to a corresponding extension of the time for provision of the Services, and, in case any necessary Import and/or Export Control Licenses are denied or revoked, terminate the Contract, wholly or partly, without liability in relation to the Client.

15.4 Should the Services or any product of the Company be subject to any Import and/or Export Control Licenses or any other Mexican or foreign governmental or court restrictions, the Client undertakes to conform to and apply the – from time to time – valid terms of such Import and/or Export Control Licenses or restrictions respectively.

16. ANTI-CORRUPTION, MONEY-LAUNDERING AND ETHICS

16.1 The Client agrees, irrevocably, that the commercial relationship now held with the Company must conform to the highest stringent and rigorous standards and principles of ethics, morality and good faith in conducting business, including but not limited to, preventing through it and/or through third parties, either wholly or partly, directly or indirectly, relationships, contacts and/or commercial partnerships with any kind of agents that in any way have, or have had, involvement in illicit commercial activities, including unethical or unfair competition, which the Client knows or should have known about.

16.2 The Client undertakes to comply with all applicable laws, statutes, regulations and codes relating to anti-bribery and anti-corruption applicable in Mexico and abroad (the "Anti-Corruption Laws"), and to not do, nor omit to do, any act that will lead to the Company being in breach of any of the Anti-Corruption Laws. The Client shall comply with the Company's Anti-corruption policies, which have been notified to the Client and may be updated from time to time (the "Relevant Policies").

16.3 The Client shall promptly report to the Company any request or demand for any undue financial or other advantage of any kind received by the Client in connection with the performance of the Contract, and which might constitute an infringement to the Anti-Corruption Laws.

16.4 The Client represents and warrants that it will make any payments due to the Company with funds obtained legally from and through financial institutions and accounts, which are in compliance with applicable laws in Mexico and abroad concerning the prevention of money laundering, terrorist financing, illegal drug trade and other illicit activities. The Client shall comply

with the applicable provisions of the Federal Law for the Prevention and Identification of Operations with Resources of Illegal Origin.

16.5 As one core element of the Parties' business conduct guidelines, the employees of the Parties may not directly or indirectly offer, give or receive any monetary gifts in the course of their business dealings or any other form of benefits or gifts of more than nominal value. 17.5 Company and Client agree that all notices and other communications required or desired to be given pursuant to this Contract will be given in writing and will be deemed duly given upon personal delivery, or on the day after mailing if sent by an internationally or nationally recognized overnight delivery service which maintains records of the time, place and recipient of delivery, or upon receipt of a confirmed transmission if sent by electronic data transmission, in each case to their registered addresses indicated in the PREFACE of this Contract, respectively.

17.6 No failure or delay by the Company to exercise any right, power or remedy will operate as a waiver of it, nor will any partial exercise preclude any further exercise of the same or of some other right, power or remedy.

17.7 For the purpose of the Contract (Rights of Third Parties), the Quotation and the Conditions (including its Annexes) do not and are not intended to give any rights or any right to enforce any of its provisions to any person who is not a Party to it.

17.8 This Contract shall be governed by and construed in accordance with the laws of Mexico. In the event of dispute regarding the interpretation, fulfillment and enforcement hereof, the Parties hereby expressly and unconditionally submit to the exclusive jurisdiction of the competent Courts

17.9 The headings and titles of this Contract are inserted solely for convenience of reference and are not a part of and are not intended to govern, limit or aid in the construction of any term or provision hereof.

17.10 The provisions of this Contract shall be binding upon and inure to the benefit of both Parties and their respective legal representatives, successors and assigns.

17.11 The Parties claim to have been duly advised by trained professionals to identify and understand the content of the provisions on this Contract and its Annexes, as well as knowledgeable about the applicable legal rules.

IN WITNESS WHEREOF, the Parties have signed this Contract, through their duly authorized legal representatives and in the presence of two (2) witnesses, on the date of execution indicated in numeral 1 of section A of the PREFACE of this Contract.
